Re: Reform Party of the United States of America
ID No. C00331314

Attached is the July 31 Mid-Year Report covering the period January 1, 2000 through June 30, 2001.

It is not anticipated that the Reform Party of the United States of America will reach the \$50,000 threshold for Calendar Year 2001. Therefore electronic filing is not currently required.

Very truly yours.
